

Simple Website Structure for a Widows NGO

For now, your NGO website can focus on a few important pages that clearly explain your mission and help visitors connect with your organization.

1. Homepage

The homepage should give visitors a warm and welcoming first impression.

Include:

- NGO name and logo
- A short introduction
- A banner image showing widows empowerment or community support
- A short mission statement
- Buttons such as:
 - Donate
 - Learn More
 - Contact Us

Example Introduction

"We are committed to supporting widows through empowerment, counseling, education, and community care."

2. About Us Page

This page explains who the NGO is and why it was created.

Include:

- Brief introduction about the NGO
- Vision statement
- Mission statement
- A short message from the founder or team
- Photos of activities, outreach, or community support

Example Vision

"To create a world where widows live with dignity, hope, and equal opportunities."

3. Services / Programs Page

This page should explain the support your NGO offers to widows.

Programs Can Include:

- Counseling and emotional support
- Skills acquisition training
- Financial empowerment
- Food and clothing support
- Educational support for children
- Healthcare assistance

Include:

- Pictures from programs and activities
 - Short descriptions of each service
 - Community outreach photos
-

4. Donation Page

This page allows people to support the NGO financially.

Include:

- Donation button
- Bank account details
- Short explanation of how donations help widows
- Thank-you message for supporters

Example Text

"Your donation helps provide food, training, counseling, and hope to widows in need."

5. Story Section

This section should share real stories and impact.

Include:

- Photos of widows or beneficiaries (with permission)
- Short success stories
- Testimonials
- Before-and-after experiences

This helps visitors understand the impact of the NGO.

6. Contact Page

Keep the contact page simple and clear.

Include:

- Phone number
 - Email address
 - Instagram link
 - Facebook link
-

Simple Website Menu

- Home
 - About Us
 - Services / Programs
 - Donate
 - Stories
 - Contact
-

Design Suggestions

Use:

- Warm and welcoming colors
- Clear fonts
- Real photos from outreach programs
- Simple and easy navigation

Important:

- Make the website mobile friendly
- Keep the design clean and professional
- Use high-quality pictures
- Ensure donation information is easy to find
